Ariel Olivetti is an Italian author and illustrator, best known for The Truth and Everything But the Truth. His books appeal to a broad audience, combining art, humor and social commentary. Oliver Sacks. A Message From Ariel Olivetti: Shaping A Life As An Author & Illustrator. If you have ever dreamed of being an author,

you have probably dreamed of doing it in a way that best reflects who you are, your world and your culture. Ariel Olivetti's experience has been the result of a remarkable life, a life which encompasses everything that art and creativity should embody. From the outside, it looks like I have been almost entirely dedicated to my
