. . PvP Battle of the moon in the OP Nothing to do while waiting for next chapter? Download Discord App now Build your own spacestation in the first-person-shooter! Easy Way to Play SpaceChannel5 Part 2 On PC/Mac And you thought you have to pay hundreds of dollars to play spacechannel5 part 2 online. All you need to play spacechannel5 part 2 on PC is Windows, Internet connection, and most of all a web browser. Spacechannel5 Part 2 Screenshots Spacechannel5 Part 2 Description Spacechannel5 part 2. Planetoid and asteroids will have to put up a fight for survival against the iron and plasma cannons of the human race. As they struggle to outwit the human champions of the galaxy, players will have to take advantage of the newest technologies, weapons and vehicles to overcome the obstacles and make sure they will survive. The objective of the player is to build up a space station, provide power to it, upgrade it and expand it until it contains all the essentials for the station to be fully functional. When the station is ready, the player will have to protect it against attacks from opponents and other stations. The battle is composed by two game modes: Stick fight: Two players will be placed in a map where they will have to send their ships to destroy their opponents. The goal is to destroy the opponents' ship and steal their weapon to obtain the status of the defenders, until the opponent loses all of his ships. The player who ends up with the highest score will be the winner. Frontline: One player will be placed at the beginning of the map and will have to prevent enemies to reach their opponents. As soon as a ship goes out of the level, the player loses one of his points. The player who can maintain the highest number of points will be the winner. Spacechannel5 Part 2 Review SpaceChannel5 Part 2 is a game in which you can play your favorite robot characters against each other in an epic space battle. As you can imagine, you start the game with a space station that you can upgrade and expand as you are able. As you play the game, you can gain access to a wide range of items such as the cannons for your ship, the shields for your station and new energy sources to power your weapons. You can play the game in two different modes, the classic
